

For a quarter of a century, the Toowoomba Grammar School Art Show has provided a great opportunity for artists, buyers, students of art and those who just enjoy art - or a social occasion. This year's Art Show will be held on the weekend 23-24 March 2013.

Now recognised as one of Australia's best art shows, over 40 new artists have been secured to exhibit this year amongst a total of 200 artists and 600 paintings. This brings an increasingly wide range of genres and styles to an already diverse exhibition of quality art.

Feature artist for 2013 Damien Kamholtz, a rapidly rising contemporary artist, travelled throughout Australia for inspiration for his intriguing layer paintings. Now based in Toowoomba, Kamholtz regularly conducts workshops for bush artists, such as those held last November in Birdsville and Bedurie.

Outback photographer, Scott Bridle with his vast aerial images of herds of cattle, river systems and outback landscapes will exhibit again this year. Many of Bridle's images sold quickly on Opening Night last year.

Renowned sculptor Bode Muche will exhibit at the Toowoomba Grammar School Art Show for the first time this year. Muche has been recently commissioned by Angus Livingston OBE of Bullawarrie Stud, Mungindi, to create a bronze sculpture of a Kelpie working dog for the 25th Anniversary of the Stockman's Hall of Fame.

Toowoomba, with its tree-lined streets, magnificent parks, wonderful boutiques and dining, always provides a great spot for a day-trip or weekend while visiting the Toowoomba Grammar School Art Show.

Tickets for the "25th Opening Night" and High Tea are available from <http://artshow.twgs.qld.edu> or (07) 4687 2500. Remember to book your tickets early, as tickets are limited and always sell out.

Entry to the Art Show on Saturday and Sunday is only \$5.00 and tickets can be purchased at the door. Everyone is most welcome to come and enjoy this delightful event and artistic showcase.
